To All Prospective Building Trades Academy Participants:

Due to the continuing COVID-19 pandemic, and in particular the recent surge in cases due to the Delta variant, all participants in NABTU Building Trades Academy (BTA) classes, including instructors, students, guest speakers and any other attendees, will be required to show proof that they have been fully vaccinated against COVID-19 *at the start of any BTA class or any BTA-sponsored event.*

For purposes of this requirement "fully-vaccinated against COVID-19" means at least fourteen days have passed after the attendee has received either (a) the second dose of a two-dose vaccine (Moderna or Pfizer) or (b) a one-dose vaccine (Johnson & Johnson).

If you have any questions, please contact either BTA Executive Director Julie Brockman (brockma4@msu.org) or NABTU Director of Research and Education Tom Kriger (tkriger@nabtu.org).

Thank you.

Sincerely,

Thomas J Kriger, PhD
